

# HI-LINE & HOBBLES CHAPTER

## HELP BY GETTING INVOLVED

We will be glad to give you more information about our activities and involvement in the decision making process that affects our ability to ride, pack and camp in the places of our choice.

Many important decisions have been made without input from horsemen and will continue to be made without us, though often with input from those who prefer not to see horses or mules on any trail or in any backcountry areas.

Don't you agree it's about time we all get involved?
