

Back Country Horsemen High Uinta Chapter

Hello Everyone!

This month's meeting was very informative, Julie Black taught a First Aid Class, which included all the first aid basics. This class was an awesome reminder of how to be prepared for an emergency. Especially while on horseback in the high Uinta's!

August 5th, 6th, and 7th are the dates set to pack corduroy into the Crystal Lake trailhead. The trailhead will be blocked to camp overnight if necessary. If you are interested, please contact Jack Prescott or send a reply to this email.

August 11th thru August 14th is the all-women's trail ride in Middle Fork Utah!

Registration fees are \$65.00 for new BCHU members (included membership fees) and \$45.00 for members. RSVP is required for this event by July 31st, 2011. This is going to be a lot of fun!

I have included the full information on this event below. There you will find contact information.
