Secretary Report- Minutes passed

Treasurer Report- No change in account status or amount

Volunteer Hours Report- No new hours reported to Dawn.

Projects-

Glenda Rich went on a trail ride on Black Mountain. Feels that this could use some work to help define the trail more as it is easy to get lost on it.

Tools have been turned back to the USFS for the season.

An overnight trail ride is possible were the Yurt at Paradise is located. We could use the Yurt for sleeping. Also an overnight trip at Dowd Mountain down to Hide Out Draw.

Current Creek trailhead needs work around the corrals. Possible a states wide project.

BCHU Meeting:

They advise to help with enrollment to promote fun rides to encourage more members. They are going to be restarting the state wide newsletter.
