Work Projects since last meeting. North section of North Fork Park. Richard, Ron and Lyn have done a lot to provide improvements. Richard may try to find the other loop to connect back down to the north section of North Fork. These trails would scale 3 on a scale of 1 – 5 for those wanting to join up in the work project.

Middle Fork: Ron Hales will work Geersten to open up further down the bottom. Currently, the trail is too rough and hard for most to endure. Target shooting going on at the pond. Thank you Richard, Lyn, Alan, Ron and Nancy for clearing logs. We need to consider lightning strikes up in these parts. Fire danger remains extreme until precipitation.

Hooper Tomato Days Parade. Widdisons, former BCHU members, were announcers. Ann Hyde helped get BCHU members involved/participated. Thank you, Ann.
