

February 26, 2010 Newsletter Greetings Everyone:

Just a few quick updates and reminders from our  
monthly meeting Tuesday:

1. The work ride at Ken's Lake for tomorrow Feb 27th has been rescheduled for April 10, 2010 (hopefully the snow will be gone by then!)
2. The survey ride and overnight at Onion Creek previously scheduled for March 12-14 has been cancelled because the trails have been surveyed. We will probably do a work day later in the spring/summer to repair corrals at Onion Creek.
3. Don't forget the 4 Corners Ag Expo at the Montezuma County Fairgrounds in Cortez, CO on March 18-21. There will be a meeting of Back Country Horsemen on the 21st at 10:00 a.m. and it is open to all. Check out their website at [www.fourstatesagexpo.com](http://www.fourstatesagexpo.com).
4. Also don't forget the vaccination clinic scheduled for Saturday, March 27th from 10:00 a.m. - 12:00 noon, at the Arena.
5. We had a very colorful discussion at our meeting Tuesday regarding the proposed closing of the racetrack. We, SEUBCH, have delivered a letter to the County Council, Administrator and Grand County Recreation Board requesting that they fully assess the reasons and ramifications for closing the track and increase communication to interested parties regarding this issue. We believe there will be a user's meeting on March 8th or 9th and we have requested to be advised of the date and time. I will pass on any information which I obtain.

Keep thinking warm thoughts!

Gina Giffin
